

BURY COLLEGE
FEEES POLICY
2019 to 2020

APPROVED BY THE CORPORATION BOARD 2ND JULY 2019

BACKGROUND

This document outlines the Fees Policy of Bury College. Tuition Fees are an important part of the income that Bury College generates for the education and training it delivers.

There are a range of factors that influence the Fees Policy, in particular Government priorities and funding rules.

1. CONTEXT

This Fees Policy has been developed to reflect the Education and Skills Funding Agency (ESFA) and Greater Manchester Combine Authority(GMCA) Priorities and Funding for 2019 to 2020.

The Funding Rules emphasise priorities in specific areas:

- **16 to 18 year olds** – funding to deliver high quality study programmes offering substantial qualifications, English and Maths, and other value added activities including work experience where appropriate, enabling students to progress to higher levels of study or skilled work.
- **Apprenticeships** – significant changes to the way apprenticeship funding works were implemented on the 1st May 2017, including:
 - o introduction of the apprenticeship levy
 - o introduction of the apprenticeship service - this is an online service that allows employers to choose and pay for apprenticeship training more easily
 - o introduction of a new 'co-investment' rate to support employers who don't pay the levy ('co-investment' is when employers and government share the cost of training and assessing apprentices)
- **Traineeships** – aimed at young people aged 19 to 24 who have left school and wish to get an apprenticeship or other employment but lack the basic skills and experience that employers are looking for.
- **English and Maths** – students have a statutory entitlement to fully funded English and maths to enable them to progress to Level 2 and achieve a GCSE in these subjects if they have not already done so.
- **First Full Level 2**– students have a statutory legal entitlement to a first full Level 2 qualification and will not pay fees.
- **First Full Level 3** – students aged 19-23 have a statutory legal entitlement to a first full level 3 qualification and will not pay fees.
- For the legal entitlement the government will specify the qualification offer available. There will be a defined list of qualifications focussed on high quality technical and professional qualifications.
- **Engaging Adults** – to provide the skills and learning they need to equip them for work, an apprenticeship or further learning.
- **Advanced Learner Loans** –Loans will be available to those aged 19 and above studying qualifications at levels 3 to 6. Those aged 19-23 retain a legal entitlement for their first full level 3.

2. POLICY OBJECTIVES

The objectives of this policy are:

- a) To provide a framework for setting tuition fees that is fair, transparent and clear.
- b) To ensure that tuition fees are set in accordance with government priorities and that the expectations of the funding bodies are met.
- c) To ensure efficiency and fairness in the fee collection procedures, and provide clarity relating to the refund policy, appeals and financial assistance.
- d) To ensure that the tuition fee income is optimised, whilst remaining competitive and reflecting the quality of the offer.

3. FEES STRUCTURE

Courses are available to all applicants.

It is the student's responsibility to provide information that is both accurate and complete at enrolment to ensure that correct decisions are made in relation to fees

3.1 Students Age 16 to 18 on August 31st 2019

In accordance with Education and Skills Funding Agency (ESFA) 2019 to 2020 Funding Rules, Bury College does not charge tuition, registration or examination fees to students aged 16-18 taking full or part-time courses funded by the ESFA.

However the Funding Regulations do allow colleges to apply reasonable conditions of attendance in order for students to qualify for free examination entry.

Bury College may charge students aged 16-18 for examinations and resits as follows:

- where the required attendance or completion of work has not been achieved.
- where the student fails without good reason to sit the examination
- where a student re-sits an examination resulting from an initial examination failure.
- where a student re-sits an exam with the aim of achieving marginal improvements in grades.

16 to 18 year old students can be requested to pay a voluntary, non-refundable contribution. Hence, a new student pays a one-off payment. This one-off contribution covers their period as a full time student at college irrespective of duration.

3.2 Students Age 19 and over on 31st August 2019

All courses are subject to the Funding Rules issued by the Education and Skills Funding Agency (ESFA) and the Greater Manchester Combined Authority (GMCA) and other funding organisations.

3.2.1 Courses are open to applications from all age groups. However, ESFA/GMCA funding for tuition fees will only be provided in relation to specific age groups, previous achievement and economic circumstances at the date the course commences. Eligibility for ESFA/GMCA full and co-funding is given in Appendix 1.

The ESFA/GMCA will fund 100% of the tuition fee for students who they fully fund.

The ESFA/GMCA will fund 50% of the tuition fee for students they co-fund. Learners will be required to pay the balance of their tuition fee.

The GMCA will fully fund students who have a legal entitlement to their first full level 2 and students aged 19-23 who have a legal entitlement to their first full level 3. There is a defined list of available qualifications published by the ESFA.

3.2.2 The ESFA/GMCA will **not** fund any qualifications at level 3 or above, **except** for Apprentices and students aged 19-23 with a legal entitlement to study for a first full level 3 qualification, as detailed in the ESFA and GMCA Funding Rules. The student is required to pay the ESFA/GMCA tuition fee in full. This fee includes all examination and registration fees. Students may be eligible for an Advanced Learner Loan from the Students Loans Company (SLC) to pay all or part of their fees. Advanced Learner Loans will be paid directly to the College by the SLC.

3.3 ENGLISH, MATHS AND ESOL

3.3.1 The ESFA/GMCA will fully fund students aged 19 or older, who have not previously attained a GCSE grade A* to C or Grade 4 or higher in English and maths, to study English and maths, as part of their legal entitlement. Qualifications available include GCSE English and maths, and Functional Skills English and maths from entry to Level 2.

3.3.2 For ESOL provision students that are aged 19 and over on the day they start their course will be fully funded if they are unemployed or employed on a low wage. All other students that are aged 19 and over on the day they start their course are co-funded by the ESFA/GMCA and the College will charge an economic rate for this provision.

3.4 APPRENTICESHIP AND WORKPLACE LEARNING

3.4.1 Apprenticeship Students

- i) Employers with 49 or less employees and a salary bill of less than £3 million will not make any contribution to the cost of training if the apprentice is aged between 16-18 or 19–24 and is a care leaver or has an Education and Health Care plan. If the apprentice is aged 19 and over, the Government will contribute 95% of the apprenticeship training costs. For employers with 50 or more employees and a salary bill of less than £3 million the Government will contribute 95% towards your training costs.
- ii) If the employers pay bill is more than £3million, they will pay an annual apprenticeship levy, which is 0.5% of gross annual payroll, less a £15,000 allowance. Digital accounts are also topped up by 10% each month by the Government. The funds within the account can only be used to fund apprenticeships.
- iii) Nationally, from 1 May 2017, all Apprenticeship Frameworks and Standards are set within a funding band. These bands will allow individual employers to discuss their needs with us and for a negotiated price to be agreed.
- iv) The upper limit of each funding band caps the maximum amount of digital funds an employer who pays the levy can use towards an individual apprenticeship. The upper limit of the funding bands will also cap the maximum price that government will 'co-invest', where an employer does not pay the levy or has insufficient digital funds and is eligible for extra government support.
- v) Where funds of the Levy payers' digital account are not sufficient to cover the negotiated price, the government-employer co-investment model will apply to the shortfall in Levy funds. The Employer will be required pay a fee as per the government-employer co-investment model in accordance with the Funding Rules. We will write to employers that this applies to, and they will be invoiced for the co-investment fee.
- vi) Apprenticeship Fees and payment method will be agreed before the start of the apprenticeship. Employers may pay fees by Direct Debit. The college will not ask an apprentice to contribute financially to the cost of their learning.
- vii) The Employer is responsible for the payment of the costs incurred for any resit of examination or assessment including, but not limited to, End Point Assessments.

3.4.2 Workplace Learning

- i) The GMCA will fully fund students who have a legal entitlement to their first full level 2 and students aged 19-23 who have a legal entitlement to their first full level 3. There is a defined list of available qualifications published by the ESFA.
- ii) Students aged 19 and over who are studying a qualification at level 3 or above may be eligible for an Advanced Learner Loan from the Students Loans Company (SLC) to pay all or part of their fees. The Advanced Learner Loan will be paid directly to the College by the SLC.
- iii) A resit fee will be charged to cover the cost of any additional examination re-sits if applicable.

3.5 ELIGIBILITY FOR FUNDING

- 3.5.1** Most individuals will be eligible for funding if they are a citizen of a country within the European Economic Area (EEA) or other countries determined within the EEA, or they have the Right of Abode in the UK, or they have been ordinarily resident in the EEA for at least the previous three years on the first day of learning
- 3.5.2** Other individuals could be eligible for funding as detailed in the ESFA/GMCA Funding Rules.
- 3.5.3** International students pay fees equivalent to ESFA/GMCA funding for specific qualification aims. Also, for international students, a levy may be charged to reflect any additional support provided. International student fees must be paid in full before commencement of the course.

Where Bury College offer a qualification that could be ESFA or GMCA or Loan funded as a commercial 'full cost' course students must be told that other providers may offer alternative funding routes.

Please note depending on the date of transfer into Bury College, students may still be liable for the full annual course fees even if the initial institution has claimed part liability.

Example: You transferred into Bury College to commence your course after term starts

- You started in September at Institution A and attended for a short period of time after their term start date.
 - o Institution A charges 25% of your annual fee then you transfer to Institution B (Bury College) in term one – Bury College will charge you the full annual fee

If an ESFA/GMCA fully funded student does not wish to retain clothing and equipment the student may borrow the clothing or equipment free of charge.

7. FINANCIAL ASSISTANCE

Students can enquire at Student Services regarding all forms of funding that they are entitled to receive to support their studies.

8. OUTSTANDING FEES

Any student who has not paid their fees, set up a payment plan or applied for a Loan after the first 6 weeks of their course will be withdrawn from their course of study.

Any student, who has fees outstanding from a previous year, will not be allowed to enrol until the outstanding amount has been settled.

In addition exam certificates may not be applied for, references will not be issued and the college may take legal action if the debt remains outstanding.

9. APPEALS PROCEDURE

In exceptional circumstances, a student has recourse to appeal to the Director of Planning & Information Services to waive or refund fees.

10. EQUALITY ANALYSIS

The college is required to follow the funding methodology prescribed by the ESFA and GMCA. This has age and circumstance related conditions which may negatively impact on the student.

For anyone excluded from free/reduced fees on the basis of age or circumstance as a result of national guidance, the same provision is available but at an increased fee based on actual cost of providing the service.

Advanced Learner Loans may be available for this provision.
